Amendment to Retainer Contract XG-2235 with [REDACTED]

1. Under the terms of the subject contract [REDACTED], Inc., is providing engineering services on a retainer type contract basis. Work directives now being processed will deplete the funds presently allotted to this contract. As a result, additional funds will be required to cover the cost of present and future work during the current fiscal year. It is requested that the subject contract be amended to increase the available funds under the allotment number cited below.

25X1

2. Attached are two requisitions indicating that funds in the amount of \$8,000.00 under allotment number 0179-0060-0000 are obligated by Requisition No. MSB 60-579, and funds in the amount of \$3,000.00 under allotment number 0179-0010-0000 are obligated by Requisition No. MSB 60-595. Total funds in the amount of \$11,000.00 have been encumbered to cover present and proposed contractual commitments. Agency association with this contract is classified **SECRET**. The cognizant contract engineer is [REDACTED]
